CREATING WORKPLACE INCLUSION

by Design

Our purpose

Inclusive Spaces exist to enhance access and inclusion of work environments. A subsidiary of Diversity Focus, our interior consulting services are guided by the principles of workplace diversity, equity, and inclusion.

Workplace environments are powerful spaces to cultivate a sense of inclusion and belonging. We are passionate about transforming spaces and the experiences of people who occupy them.

What we do

We work with you and identify barriers to workplace access and inclusion. We provide tailored recommendations that transform your workplace.

We work with your needs to improve the current workspace and ensure barriers to access and inclusion are addressed, helping to maintain compliance and mitigate risk.

We provide recommendations and guidance on tailored solutions to help increase broader workplace diversity, equity and inclusion. This holistic approach ensures workplace culture and inclusion are enhanced, increasing creativity and innovation to create a competitive edge.

THE POWER OF INCLUSIVE

Design

When people feel like they belong, they show up as their best selves to work. An inclusive and accessible workplace is more than aesthetics, it's also about creating a sense of physical and psychological safety for all who access the space. It is about being intentional and creating environments that are comfortable and increase engagement.

- ✓ Create safety, inclusion, and belonging.
- ✓ Transform employee experiences and engagement.
- ✓ Boost creativity and innovation.
- ✓ Maintain compliance and mitigate risk.
